## PROJECT DESCRIPTION

Please delete the information below and use this space to describe your proposed activity in no more than two pages. You may want to:

- Include information such as project goals and objectives; audience served; cost per participant; time spent in the field; how the activity will be organized and executed.
- Describe use of proven methods and best practices within your project.
- Explain why the project is important for your organization and community.
- Explain why your organization has the experience and capacity to conduct the project, including identification of key personnel, their roles in the project, and their qualifications.
- Show how partnerships and collaboration with other individuals, organizations, and groups in your community will be formed, strengthened, and extended through this project.
- Describe expected results and follow-up plans for the project goals.
- Present a summary of your plans to evaluate the effectiveness of the project, which you will elaborate on in your **Evaluation Plan**. Briefly describe expected outcomes of the project and why its activities are expected to achieve these outcomes.
- Describe the future funding plan to sustain the project after the grant period, if applicable.

## EVALUATION PLAN

Leave yourself at least 2 hours to complete this part of the application. Create an **Evaluation Plan** for your project by referring to the instructions in the **Evaluation Framework**. Complete the matrix section (section two) of the **Evaluation Report Form**, in order to show the details of your **Evaluation Plan**. The **Evaluation Framework** and **Evaluation Report Form** can be found with the application materials on our website.
